

You are invited!  
Grand Lake Area  
Safety Council Meeting  
Wednesday, March 20, 2013  
At Romer's Celina.  
11:30am to 1:00pm

TOPIC

**Diabetes in the Workplace**

**Three Objectives of Program**

1. Identify the growing prevalence of diabetes, including in the workplace.
2. Identify what diabetes is and basic ways that it can be managed.
3. Identify strategies in the workplace to promote safety among your employees that have diabetes.

**by Kristine Mullenhour RN, BSN, CDE**

**Diabetes Education Coordinator at Grand Lake Health Systems**

Krissy has been a diabetes educator at JTDMH since 2006. She is currently the coordinator for outpatient diabetes education program recognized through the American Diabetes Association. She became a certified diabetes educator in 2009. Her responsibilities include: providing inpatient and outpatient diabetes education, overseeing the use of the glucose monitoring equipment by staff, and participating in various community outreach events, including the monthly diabetes support group and health fair booths. She currently lives in Jackson Center with her husband and 2 children and is the Vice President of the Jackson Center Local School Board.

RSVP by March 18<sup>th</sup> to Grand Lake Area Safety Council at [safety@celinamercer.com](mailto:safety@celinamercer.com) or by calling 419 586-2219. This is free to one safety council member and \$10 lunch fee for any extra attendees. Open to the public for \$15. Visit [www.grandlakesafety.com](http://www.grandlakesafety.com) for future programs and details.
