“The Accident Took My Hands, Not My Life”
by Brad Hurtig

Story Snapshot

Brad was a three sport athlete growing up in Northwest Ohio. Excelling as a sophomore on the football field, he was anticipating a great junior and senior season until June 10, 2002. Only a few days after finishing his sophomore year, he was involved in a devastating and life changing accident that resulted in amputation of his left hand and half of his right arm. The accident took his hands but was not going to take his life. He rejoined the baseball and football teams. Exceeding expectations in football, he reclaimed his starting position in his senior year and led the team with 111 tackles without hands. His story caught national attention through ESPN, the New York Times and the Montel Williams Show.
