Program will be 12N to 1PM.

TOPIC

Creating an Annual Safety Calendar

By *Joe Hammond, Owner of OSHA Information Inc.,
a private safety consulting company.*

Three Objectives of Program

- 1/ To explain why and how it's helpful in improving your safety effort
- 2/ To share useful topics & ideas for completing your annual planning
- 3/ To provide resources to assist in meeting your goals

Speaker Bio:

Speaker Bio: Joe Hammond is a former safety consultant with the Division of Safety & Hygiene for 27 years. Though retired he continues to offer safety training and consulting privately out of nearby Minster. Mr. Hammond majored in Labor Education at The Ohio State University and served four years with the Army Security Agency in numerous assignments in the Far East and the US. As past president of the Central Ohio Chapter of the American Society of Safety Engineers he was privileged to participate in local, regional, and national seminars.

Please RSVP to safety@celinamercer.com by Monday, June 16th for this June 18th program. Lunch is free for 1 safety council person & \$10 for each extra person. Open to the public for \$15 lunch fee.
