meeting at Romer's in Celina
from 11:30am-1pm.

TOPIC

**Finding and Eliminating the Root Cause: The Key to a Safer Workplace
by Robin Elston, President Elston Consulting**

Three Objectives of Program

- 1. To learn how to investigate and analyze incidents to determine and eliminate the true root cause.
- 2. To learn how to use root cause analysis to build commitment to reducing safety incidents and risk.
- 3. To learn how to track counter measure completion in a way that increases employee loyalty.

Speaker Bio: With degrees in Chemical Engineering and Business, Robin Elston spent her first fifteen years after college working in engineering, manufacturing, and human resource management in a Fortune 50 Company. In 2001 she left a great job to follow her passion and started Elston Consulting. She has since worked with hundreds of organizations to resolve issues and improve productivity and results across the US, and in Europe and South America. She has a unique ability to use humorous relatable examples, many of them coming from living with Steve, her husband of 20+ years and their five children.

This program is free to one person from each safety council member company. Additional members are \$10 each. This is open to the public for a \$15 lunch fee. You must RSVP to the Chamber 419 586 2219 or email safety@celinamercer.com by Friday, July 15th.
