TOPIC

Accessing Healthcare in the Appropriate Setting

Overview of Program:

Appropriate access of care is more important than ever in managing your care and managing your health care costs. Mercer Health offers a continuum of healthcare settings. Join Jenny Conn, Director of Emergency Services and Disaster Preparedness, as she discusses appropriate access points for your healthcare needs including when to go to the ER versus when to go to Doctors' Urgent Care and also the importance of an established relationship with a primary care provider.

by Jenny Conn RN
